ALL THAT GLITTERS

BY ERNIE PINO

>>> The Sheraton Hotel was the scene of the second annual **GOODWILL GLITTER GALA** on November 5 where guests enjoyed a cocktail reception, dinner, silent auction and Fashion in Film runway show featuring clothes from Goodwill stores. The event brought in \$170,000 to support Goodwill's job training and education programs for low-income individuals. >>> On November 19, *Seattle* magazine and its sister publications opened the doors to their new offices at the **TIGER OAK 2010 SNEAK PREVIEW** cocktail reception. Guests munched on appetizers provided by Pearl Bar & Dining and Cupcake Royale while chatting with the staff about new features to debut in 2010. >>> On November 21, the Washington Wine Commission and *Seattle* magazine welcomed a new vintage of wine lovers to the sold-out **20SOMETHING** at the Fremont Studios. Seventy-five Washington winemakers were on hand to offer samplings to the beat of KEXP's Darek Mazzone's music tracks. >>> The eighth **ANNUAL CHILDHAVEN AND SEATTLE SEAHAWKS TACKLE CHILD ABUSE DINNER AND AUCTION** welcomed supporters to Hyatt Regency Bellevue Place on November 9. Over \$500,000 was raised for Childhaven, an organization dedicated to healing abused and neglected children. In addition to a performance by Hawks tackle Craig Terrill (his first acoustic rock album, *CT*, was released last January), Seahawks receiver Nate Burleson was honored with the 2009 Seahawks Ed Block Courage Award.
